RE: NATIONAL ENERGY BOARD – PROPOSED DAMAGE PREVENTION REGULATIONS

Dear Madame:

This is in response to your letter of February 9, 2009 to various stakeholders concerning the National Energy Board's proposed Damage Prevention Regulations.

CN wishes to thank you for providing us with an advance copy of the proposed regulations and an opportunity to provide comments.

CN has reviewed the proposed regulations and the associated draft Guidance Notes and has no comments to make at this time.

Please continue to keep us updated as this initiative progresses.

Sincerely,

D. E. Watts
Sr. Manager – Regulatory Affairs
