(CdnOxy Part VI App.)
cr.ex. (Thompson)

1 are cross-examined.

2 MR. SAVILLE: Sir, unless I am surprised by
3 Mr. Dong, I believe we can give you the contract. I don't
4 know that we have the Decision arising out of the
5 proceeding that he talked about.

6 We will obviously get whatever we have and we
7 will give it to you as soon as we can have it reproduced.

8 THE CHAIRMAN: Thank you.

9 MR. THOMPSON: Shall I keep going,
10 Mr. Chairman, or were you planning on taking a break now?

11 THE CHAIRMAN: No, please go ahead. We will
12 take our break at the usual time, around 10:45.

13 MR. THOMPSON: Thank you.

14 Q. With respect to the contractual
15 provisions of the Gas Purchase and Sales Agreement, as it
16 is described at Tab 3 of this book ---

17 MR. PUTNAM: Mr. Thompson, we would ask you
18 not to talk to Mr. Dong for a moment. He is calling his
19 office and we will have the thing faxed here in the next
20 few minutes.

21 MR. SAVILLE: I can tell you, Mr. Chairman, I
22 didn't plan that one.

23 --- (Referring to the placing of a telephone call from the
24 Witness Table by Mr. Dong)

25 MR. THOMPSON: They set this up in the cab!

(CdnOxy Part VI App.)
cr.ex. (Thompson)

1 MR. SAVILLE: Sir, in the circumstances, I
2 guess all we can do is take a short break.

3 MS MUSGROVE: Mr. Saville, while Mr. Dong is
4 on the telephone, perhaps he could also get the U.S. DOE
5 Import Authorization which was mentioned earlier?

6 MR. SAVILLE: We already have a request in
7 for that one.

8 MS. MUSGROVE: Thank you.

9 MR. SAVILLE: Sir, I can hardly wait to read
10 this part of the transcript!

11 MR. DONG: You won't believe this, my wife
12 just told me she is pregnant!

13 --- (Laughter and applause/Rires et applaudissements)

14 THE CHAIRMAN: I think we should take a short
15 recess.

16 --- A short recess/Pause
